Sir,

Applicant acknowledges the telephone call of Examiner Brittain on November 8, 2002 to indicate that notwithstanding the proof submitted on September 19, 2002 of the timely submission of a response on April 5, 2002 to the first Office Action, the response has not been located in the PTO.

Applicant submits herewith a copy of the aforementioned reply paid postcard, and of each of the documents to which reference is made on the postcard, to wit:

Response to the Office action
Marked up pages of claims
new pages of claims.

The undersigned certifies that to his knowledge, each of the above documents and the postcard is a true copy of the original.

Applicant requests that the duplicate copy of the response be accepted in lieu of the lost originals, so as to prevent the case from being held abandoned. Applicant also requests that further prosecution of the application be expedited in view of the delays that have arisen that are not of the applicant's making.

Respectfully submitted
Jan Folkmar, Applicant
